

A RECEIVER THAT'S MORE OF A GIVER

The Yamaha range of Digital Home Theatre Receivers offers the best technology whilst being very easy to use. Our Cinema DSP technology, perfected over nearly 20 years, brings the movie theatre experience directly into your home. Most of our models even analyse your room's acoustics, ensuring what you hear is nothing short of brilliant.

For our full range of audio visual products, and to find a dealer near you, visit our website or call 1300 739 411
